From the PREZ

The Spokane Corvette Club's 25<sup>th</sup> Anniversary Glass-on-Grass event has now come and gone. What seemed like a never ending series of setbacks and Riverfront Park scheduling issues are now behind us and we can now breathe a little easier. All-in-all, it was a big success for us. There are many people who put a whole lot of effort into this year's GOG and I would like to thank each and every one. A special thanks to our entire club and generous businesses for donating prizes and gifts and especially to the Shriner's Children's Hospital folks who came out and helped gather donations for some needy kids. I saw a lot of kids with painted faces and the Shriner's clowns made them smile ear-to-ear. We had 95 cars on site with 89 total registrations which is line with last year's GOG. So, the Shriner's Children's Hospital will receive at least \$445 from our \$5 per registration pledge. There is talk of supplementing that donation which will be discussed at the August meeting.

The big question now is: "What's the club going to do for Glass-on-Grass in 2018 and on?" knowing that a spot at Riverfront Park will not be available until maybe 2019. CynDee is already planning a meeting to go over this year's GOG and to start talking about next year's GOG or "?". It may seem too soon to discuss 2018 GOG but prime spots are reserved a year ahead. If you have ANY suggestions, please let CynDee or I know your thoughts. To answer the above question; we'll see what happens at the meeting.

Next on the club schedule of events is the August 9<sup>th</sup> meeting at Prospectors, then the "Corvettes and Wine Jamboree" on August 12<sup>th</sup> at Crescent Bar that Tony Pleas is heading up. This should be a good time for sure. Followed by a dinner run to "JJ's Tap and Smoke House" on the 16<sup>th</sup> and on August 26<sup>th</sup> some of us are headed to Canada for a fun filled 15 or so days of sightseeing and caravanning which should bring us up to the Nelson Car Show on September 8<sup>th</sup> and 9<sup>th</sup>.
